

SPEAKING

Action Plan

- ◇◇◇ Discover *Presentation for Speaking* and download the workbook. Make notes about what you'll do for fashion styling, grooming, hair and makeup for your next speaking appearance or live workshop.

- ◇◇◇ Go back through your *Signature Style* wardrobe and mark down the outfits that are appropriate for a *Stage Appearance*. If you have nothing suitable, start brainstorming exactly what you need and where you might find it.

- ◇◇◇ Watch the *Performance for Speaking* lesson and download the workbook.

- ◇◇◇ When you have your list of 3 signature speeches, pop them in the Facebook Group so we can all celebrate your clarity and give you feedback!

- ◇◇◇ Download the *Speech Starter* workbook for some ingenious ideas for kicking off your speech

- ◇◇◇ Watch the lesson and download the workbook on *Publicity for Speaking*

- ◇◇◇ Download and review the *professional speakers bio* and use that inspiration to develop yours

- ◇◇◇ List 3 events that you can speak at for free over the next 6 months, and 3 events that you envision yourself getting paid to speak at in the 6 months following. Post at least one of these in the Facebook Group with the date that you will be giving the speech and then manifest it baby!

- ◇◇◇ Post in the group one 'a-ha' that you had around repurposing your speech and one that you had around social media

- ◇◇◇ Learn about *pre-production, production and post-production for speaking* and download the workbook
